## Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶

The Fund made distributions in excess of its current and accumulated earnings and profits during its fiscal year ended April 30, 2022. The return of capital affects shareholders that held shares during the period from January 1, 2022 through April 30, 2022.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ The effects of returns of capital on basis for the period described in item 14 above are as follows:

See attached.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶

If a shareholder owned shares during the period described in item 14 above, the basis per share is decreased by utilizing the amounts described in item 15 above during the entire period over which the shares were held.
